

ATRIUM'S BUILDING ACHIEVEMENTS

BOMA 360 Performance Building

We're thrilled to announce that Atrium has achieved the prestigious BOMA 360 Performance Program designation! This incredible accomplishment means we've not only met but surpassed global standards for operational excellence. This recognition highlights our ongoing commitment to raising the bar in the industry, showcasing our

dedication to providing unparalleled quality and service in every aspect of our building management.

WiredScore Platinum Certificate

We're equally excited to share that Atrium has earned the WiredScore Platinum certification! This elite accolade underscores our exceptional digital connectivity, positioning us as a leader in creating smart, future-ready buildings. With this certification, Atrium distinguishes itself not only through its advanced digital infrastructure but also by ensuring faster tenant attraction and lower vacancy rates. This achievement reflects our focus on innovation and excellence, making Atrium the ideal choice for tenants looking for a cutting-edge workspace in today's digital landscape!
